Adolescence is usually associated with the teenage years, but its physical, psychological or cultural expressions may begin earlier and end later. Sat, 10 Dec 2016 23:56:00 GMT Adolescence - Wikipedia - We would like to show you a description here but the site won't allow us. Wed, 09 Jan 2019 23:13:00 GMT <https://onlinelibrary.wiley.com/action/cookieAbsent> - Abstract. The enormous public health impact of adolescent substance use and its preventable morbidity and mortality highlight the need for the health care sector, including pediatricians and the medical home, to increase its capacity regarding adolescent substance use

Students who don't write well aren't able to learn and communicate effectively.

Fri, 28 Dec 2018 07:28:00 GMT Key Literacy Component: Writing | Adolescent Literacy ... - Adolescent cliques are cliques that develop amongst adolescents. In the social sciences, the word "clique" is used to describe a group of 2 to 12 (averaging 5 or 6) "who interact with each other more regularly and intensely than others in the same setting". Cliques are distinguished from "crowds" in that their members interact with one another (e.g. hang out together, go shopping, play basketball). Wed, 08 Sep 1993 23:58:00 GMT Adolescent cliques - Wikipedia - Preventing gender-based violence victimization in adolescent girls in lower-income countries: Systematic review of reviews Thu, 10 Jan 2019 00:32:00 GMT Preventing gender-based violence victimization in ... - Adolescent parents and their children represent populations at increased risk for medical, psychological, developmental, and social problems, as previously described. 1 In 1997, there were 489 210 live births to 15- to 19-year-old females in the United States. 2 The myriad concerns associated with adolescent pregnancy and potential obstetric and perinatal complications are summarized in a ...
